

This week at

Consett Academy

Family Christmas Quiz Night

Thursday 15th December
5:30pm - 7pm

Join us for our Christmas quiz and Bingo with our quiz master Mr Hall
Please sign up on Weduc forms

There will be festive food and prizes available!

Today marks one month until Christmas and we have several festive events to look forward to.

Our resident Quiz Master, Mr Hall of Consett Academy video fame, makes a reappearance at our Christmas Family Quiz Night on Thursday 15th December (5.30-7pm). There will be festive food, prizes, bingo as well as a quiz – it will be a brilliant way to get into the Christmas spirit.

On Thursday 8th December, we have Christmas jumper day. This day supports our charitable food donation appeal, and we ask that students bring in a donation for a food hamper in return for wearing their Christmas jumper. All donations are sent to local families in need.

Here are some suggestions for the types of food to donate:

- Crisps
- Savoury biscuits
- Small Xmas treats
- Jams or fruit preserves
- Shower gels & bubble bath

This week at Consett Academy

Back to this week, and Year 11 have been amazing in their first week of mock exams. Many students are in the Academy early for breakfast and pre-exam revision and stay at the end of the day to study and revise for their next exams. Last Saturday, and tomorrow, the Academy is open for Year 11 to have revision sessions for their forthcoming Maths and English exams. A huge thank you to Miss Robb, Mrs Moncur and the staff at the Academy that have been providing all the support they can to the Year 11 students to ensure that they can be as successful as possible in these exams.

Our students continue to embody the values of the Academy and our Consett Way weekly hero, Isabel W, and Consett Way champion, Summer T, continue to demonstrate resilience and aspirations to be the best that they can be.

High numbers of students are continuing to participate in our Beyond 25 offer; if your child is yet to join one of our extracurricular activities, please encourage them to look at our offering. We have activities ranging from Dungeons and Dragons Club, to Futsal, to VEX Robotics. Our boys' and girls' football teams have also been in action this week, scoring goals and performing well. Congratulations to the year 10 boys' football team for an excellent performance against St Bede's, Lanchester, and the sixth form football team for their performance against St Leonard's, Durham. Thank you to all parents, carers and supporters for braving the cold weather to support our teams.
