Today has been a day of reflection and remembrance as the Academy came together collectively to remember Holly Newton. Holly only left the Academy last term and has many friends here that wanted to remember her kindness and friendship. Students and staff wore purple ribbons to remember Holly and wrote messages of condolence in a remembrance book. Students that have been affected by this tragic and sad event have been supported in school by staff and our counsellor, Mrs Harris.

The reading event on Tuesday promoted reading for our young people and provided some very tasty fish and chips. A big shout out to Chartwells staff that stayed late to provide a tasty dinner for this event. Congratulations to Bethany N who won the draw for the prize of a Kindle! Happy reading!

Finally, a huge congratulations to Mr Calvert and the Vex Robotics team. Twelve teams from across the North East competed in a VEX Spin-Up game. Our team of year 7 and year 10 students joined forces with Tanfield School's team ensuring a victory that takes them to the VEX National Championship in March. Well done to everyone involved.
