

This week at

# Consett Academy

We would like to start this week's newsletter with a huge thank you to our Year 11 students, parents and carers. For the last two weeks, Year 11 have been working incredibly hard on their mock exams. This fortnight has not only given students a really good idea of where they are in terms of attainment, but the resilience and energy required to manage two or three exams a day. Our Year 11s have conducted themselves incredibly well and we are very proud of them. A huge thank you to Miss Robb and Mrs Moncur for looking after them and supporting them through this mock exam period.

In the Curriculum section of our website, you can find guidance on what your child is studying. As well as an overview of our curriculum and the principles behind our curriculum, you can find an overview of each subject area and the content for each half-term.

# This week at Consett Academy

This week, Mrs Crawford launched PROUD. Every Tuesday, students can bring a piece of work or a book that they are proud of to the main atrium. We have so many students producing beautiful work; we want to celebrate their hard work and commitment to their learning on a weekly basis.

# This week at Consett Academy

This week is British Science Week; we have had various activities running in school and these will continue into next week for students to participate in and help us celebrate.

We have been running the Big Science Quiz and the deadline for this is next week – alongside the Career Collector Challenge – cards can be collected from student reception or Mrs Collins in G.91. Finally, students can enter our poster competition: entries should be on A3 or A4 paper; digital entries are allowed and can be submitted to Mrs Collins directly [ccollins@consettacademy.org.uk](mailto:ccollins@consettacademy.org.uk)

Next Monday, we are looking forward to having our Year 7 parents and carers in the Academy for parents' evening.

And finally, U15 Girls ESFA beat Appleby school from Carlisle. They progress to round 3 of the competition where they will play Newcastle Grammar school.
