

The summer term must be well underway as this week has seen a lot of cricketing activity - it's a good thing that the sun has shone this week! Our Year 10 Young Sports Leaders were great ambassadors for Consett Academy at the primary schools' Cricket Festival where they independently umpired and scored all the cricket matches. The primary school staff passed on that our students were exemplary. The Year 10 girls were back out for yesterday's Chance to Shine cricket tournament at Washington Cricket Club. They had a fabulous day in the summer sunshine and finished in 3rd place after success in matches against Seaham High School, Thorp Academy and St. Anthony's. Well done, girls!

Our Year 13 and Year 11 students continue to conduct themselves in an exemplary manner, with a strong focus and a positive approach to their exams. External visitors and our exam invigilators have praised all of the students and we continue to be incredibly proud of them. We are continuing the exam support with half-term revision sessions and exam slams after the break. Attendance at these events will ensure students are fully prepared and well-versed in the content and skill required to succeed in their exams.

After half-term, our Year 12 and Year 10 students will be looking towards their end of year exams. Year 10 also have their parents' evening after half-term: Year 10 parents, save the date - **Monday 12th June**.

Finally, it has been yet another busy term at Consett Academy. We wish all students, families and our community a lovely half-term break. Stay safe and enjoy the warmer weather.
