

GOODBYE YEAR 11 & 13!

This week we officially said goodbye to our Year 11 and Year 13 students. Both year groups enjoyed their Leavers Assembly, plus plenty of shirt signing and even some drone photo shoots! Good luck to all of our students, we are positive you are all going to do great things!

ENERGY FROM WASTE

Students in year 7, 8 and 10 had the opportunity to join our year 12 Gold Cadet team to undertake a workplace visit to Suez in Teesside, hearing from employees on roles and career pathways in the waste industry. Through a presentation and 'Energy from Waste' plant tour, students came away with a better understanding of what happens to the waste when their wheelie bins are emptied at home! Suez mission is to reduce waste and improve biodiversity, with ponds housing wildlife, beehives, solar panels and wind turbines on site. Students learnt that when waste is incinerated huge water boilers are heated which generates steam, which in turn operates turbines to generate electricity for the grid. The ash left over from the incineration pit is upcycled into aggregates that are used in the construction industry, for example in road surfaces. A strict chemical sampling regimen ensures minimal pollutants are released into the atmosphere, contributing to an overall 'greener' approach to waste management.

WELL DONE GIRLS!

Consett U15 Girls winning streak has come to an end while playing the semi-final in Norwich at the ESFA National Competition. The girls have played amazing games throughout the tournament and today's game could have gone either way!

MUSIC FESTIVAL

Thank you to our families and community for supporting our very first Academy Music Festival with the wonderful people at Durham Music Service!

Performers turned it up to 11 and delivered a mind-blowing line-up of bands, solo sessions and ensemble numbers. A big shout out to the audience who brought the festival vibes and supported our musicians, as well as getting stuck into our garden games, crafts and meeting 'Bella' in our pop-up, outdoor library! We'd also like to say a huge thanks to the Year 10 citizenship group and Mrs Hopkins who provided us with an outstanding spread of picnic goodies for the afternoon. Same time, same place, (same weather!!!) next year!
