

INDUSTRIAL CADETS

Year 12 students graduated as Industrial Cadets at Gold level, after 6 months completing their project "A Sustainable Solution To Cleansing Pond Water" in collaboration with Suez Recycling & Recovery UK Ltd. This was also an opportunity to show case their project, alongside the other schools in the North Region. It's our absolute pleasure to announce that Consett Academy won the 'Best Team- Work' award nominated out of a possible 15 schools, returning with a lovely glass trophy for the school cabinet. Huge congratulations go to Luke, Mollie and Caitlin!

From September we will be promoting the Gold Cadets scheme to our new cohort of year 12 students [Industrial Cadets Gold Project | EDT \(etrust.org.uk\)](#). If you are joining us in sixth form in September and wish to participate please email ccollins@consettacademy.org.uk to pledge an interest.

MOCK EXAMS

Our Year 10 and Year 12 students have made a fantastic start to their mock exams. Year 10 have been particularly impressive given that this is their first mock exam experience.

AW3 DATA

We would like to make all parents and carers aware that AW3 reports for students in Years 7, 8 and 9 can now be accessed via WEDUC.

END OF TERM REWARDS

A reminder that in order for students to participate in the end of year rewards trips they must:

- Have no more than 2 days absent since 5th June
- Be late to the academy no more than 5 times since 5th June
- Have a 90% positive behaviour ratio since 5th June.

STRIKE DAYS

A reminder to parents and carers that on Wednesday 5th July and Friday 7th July Consett Academy will only be open to Years 9, 10 and 12 due to strike action.

WHITES WHEELS

All students with 100% attendance this week were entered onto our White's Wheels draws this week for a chance to win a £10 Amazon voucher.

This week's White's Wheels winners were:

Year 7 Billy K

Year 8 Lucas R

Year 9 Jody B

Year 10 Luana L

Year 12 Kate M

**White's
Wheels**

You've got to be in to win!
