# This is an Ofsted rated **GOOD** school

This week we received the exciting news that Consett Academy has been rated as Good by Ofsted after their visit in May. This is fantastic news for the school and local community. There were some particularly pleasing comments in the report, such as:

“ Leaders and staff at Consett Academy share high expectations for pupils’ achievement and conduct ”

“ Staff regularly praise pupils for their efforts inside and outside of the classroom ”

“ Pupils are proud of their large, welcoming school. ”

“ Pupils value the support and care shown by staff. ”

Consett Academy would like to thank all students, parents and carers for their support in recent months during the schools improvement journey. If you would like to read the report you can do so here: <https://consett-academy.org.uk/about-us/ofsted/>

# TICE Workshop

This week 12 year 9 students demonstrated excellent skills in creativity when completing a photography workshop in school. These students have been working hard since April completing a photography project of their own as part of the TICE programme.

(<https://thisiscreativeenterprise.com/?amp=1>). The purpose of the workshop was to further develop their project and their photography skills, working towards completing the TICE programme.

The TICE Programme is an award-winning programme for young people wanting to explore creative, design & digital skills and careers. TICE brings together businesses, schools, colleges, and universities to give young people a taste of the opportunities that exist within the commercial creative, design, and digital industries.

Next week students will visit Northumbria University photography department in conjunction with several other schools in the local area to complete the next workshop. The students have a final deadline at the end of the month, we all wish them luck in completing this programme as it will provide them with valuable skills ready for next year when they all study GCSE Art and Design.

# ESFA Girls Under 15 Schools' Cup

The girls played their quarter final away to Christleton High School in Chester on Tuesday 6th June. After a long trip the girls were excited to get started. After a close and competitive start to the game Consett took the lead midway through the first half after a fine finish by Faye K. The score line stayed the same to half time. The girls went out in the second half determined and doubled the lead after a fantastic ball by Mae D was put into the net by Faye K. The game became quite physical but the girls didn't back down from the challenge. With 10 minutes to go Christleton scored a goal. For the remaining time Consett held firm and saw the game out for a 2:1 victory.

The girls now play away to Langley School in Norwich in the semi-final. Well done all of the girls as this is a fantastic achievement.

# End of Term Rewards Trips

On Monday, students were informed of the criteria they need to meet in order to attend end of year rewards trips and inflatable event. The qualifying period started on Monday 5th June. From this point students need to:

- Have no more than 2 days absent
- Be late to the academy no more than 5 times
- Have a 90% positive behaviour ratio

## Y10 Parents Evening

A reminder to all parents and carers of Year 10 students that parents evening is Monday 12th June, 3.30pm-6.30pm. Appointments are available to book on School Cloud now

<https://consett.schoolcloud.co.uk/>.

This event will be an opportunity for parents and carers to speak to class teachers about the progress of their child but also receive revision materials and advice on how to support their child with their upcoming mocks.
