

# PRESIDENTS AND AMBASSADORS

Mr Hall had the great pleasure of selecting Presidents and Ambassadors for Consett Academy. Students applied for the roles and were democratically elected by their peers. They will take a central role in the every day running of the Academy. The Presidents from each year group will attend meetings and be the voice of their year group, making key decisions aimed at moving the Academy forward. The ambassadors will take a leadership role on transitions between lessons and break times, as well as running the Reward Store. We are looking forward to working with our student leaders.

## Year 7 Team

President  
Nathan

Vice President  
Milena

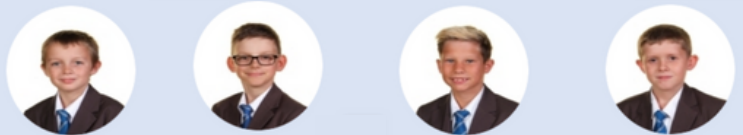

## Year 8 Team

President  
Ryan

Vice President  
Kaitlyn

## Year 9 Team

President  
Alexis

Vice President  
Jack

# ACADEMY AWARDS EVENING

Monday evening was a very special evening here at Consett Academy and, as Mr Urwin said, “one of our favourite evenings of the year”. We welcomed our award winners into the Academy; students nominated by their teachers for outstanding performance and dedication to their subjects. It was inspiring to hear how hard all these students had worked over the last year and the amazing things they had achieved. We were very proud of all the winners and agree with Mrs McRobie that “these students will change the world” We also were entertained by our very talented singers, had the opportunity to view amazing artwork, and were served canapes by our hard-working Food Technology students

## Year 7

Leighel - PE  
Maximo - German & History  
Zach - Technology  
Logan - Science  
Haydyn - Maths  
Eden - Chemistry

Jack - Physics & Computing  
Luca - Technology & PE  
Kai - Biology  
Hannah - Art  
George - Music

## Year 8

Grace - Geography  
Alfie - Philosophy and Religion  
Connor - English  
Hendrix - Music  
Holly - French

## Year 10

Joe - Music  
Josh - Travel & Tourism  
Nola - Health & Social Care  
Heidi - French  
Brooklyn - Computing  
Dalya - Art  
Phoebe - English  
Ellen - Vocational Enterprise  
Nora - Philosophy & Religion  
Jessie - Engineering  
Chloe - Dance  
Lewis - Biology  
Abigail - Chemistry & Food  
Emily - Psychology  
Leah - History  
Jack - Maths  
Charlie - Maths

## Year 11

Isobel - PE  
Zillion - Enterprise  
Zoe - Philosophy & Religion  
Eilish - Music  
Louise - English  
Lauren - Dance  
Emily - Maths  
Lucy - Health & Social  
Olivia - Spanish  
Luke - English  
Harrison - Travel & Tourism  
Stephen - Science  
Lauren - Computing  
Lewis - Biology  
Sophie - Art  
Caitlin - Technology  
Joe - Engineering  
Jay - Psychology  
Lewis - Chemistry  
Eleanor - History  
Paras - Maths

## Year 9

Corey - Technology  
Raigan - Music  
Ava - PE  
Caitlin - Science  
John - Geography  
Lois - French  
Jack - PE

## Year 12

Sarah - English  
Jamie - Chemistry  
Chloe - Health and Social Care  
Corbin - Computing  
Charlie - Business BTEC  
Esme - Music  
Owen - History & Sociology  
Billy - Maths  
Sophie - English  
Lucy - Biology  
Leah - Psychology & Philosophy and Religion  
Alfie - Maths  
Libby - PE  
Zoe - Geography

## Year 13

Unaiza - Chemistry  
Sophie - Health & Social Care  
Dan - PE  
Madison - Business BTEC  
Dan - Geography  
Jessica - Biology  
Jawad - Maths  
Chloe - Psychology  
Leah - Music  
Ace - Sociology  
Daniel - English  
Jay - Computing  
Gabriel - Computing  
Olivia - Maths  
Charlotte - English & History

# MATHS TRIP

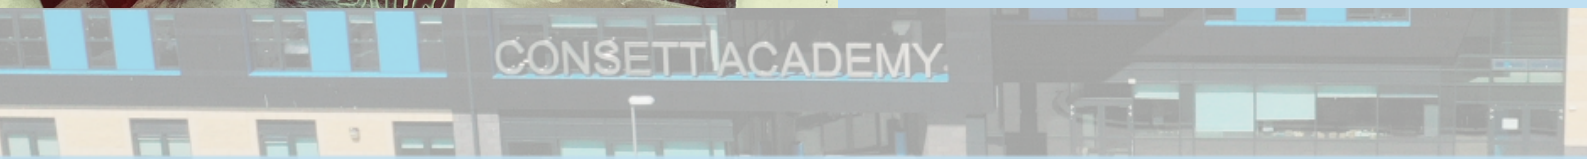

This week, ten of our mathematically talented Year 9 students went on an excursion to the Royal Grammar School. They took part in a maths workshop where they had to answer big questions - known as 'Fermi Questions'- such as "how long would it take you to drink all of the water from an Olympic size swimming pool?". The students were very engaged and felt incredibly challenged. They developed their problem solving and teamwork skills. All students worked very well and were a credit to the Academy.

# LIBRARY NEWS

Horror is one of the most requested genres in the library. Here's a sneaky peek at some brand-new scary books which will soon be added to the shelves!

Please come and let Miss Horth know if there are any other kinds of books you like to read!

## Year 11 Half Term Revision Sessions

Time	Monday 30th Oct	Tuesday 31st Oct	Wednesday 1st Nov
9:30am - 11:30am	Travel & Tourism History Religious Studies Maths	Travel & Tourism Music Art	Art
12.30pm - 14:30pm	Travel & Tourism Religious Studies	Music Art	Art French

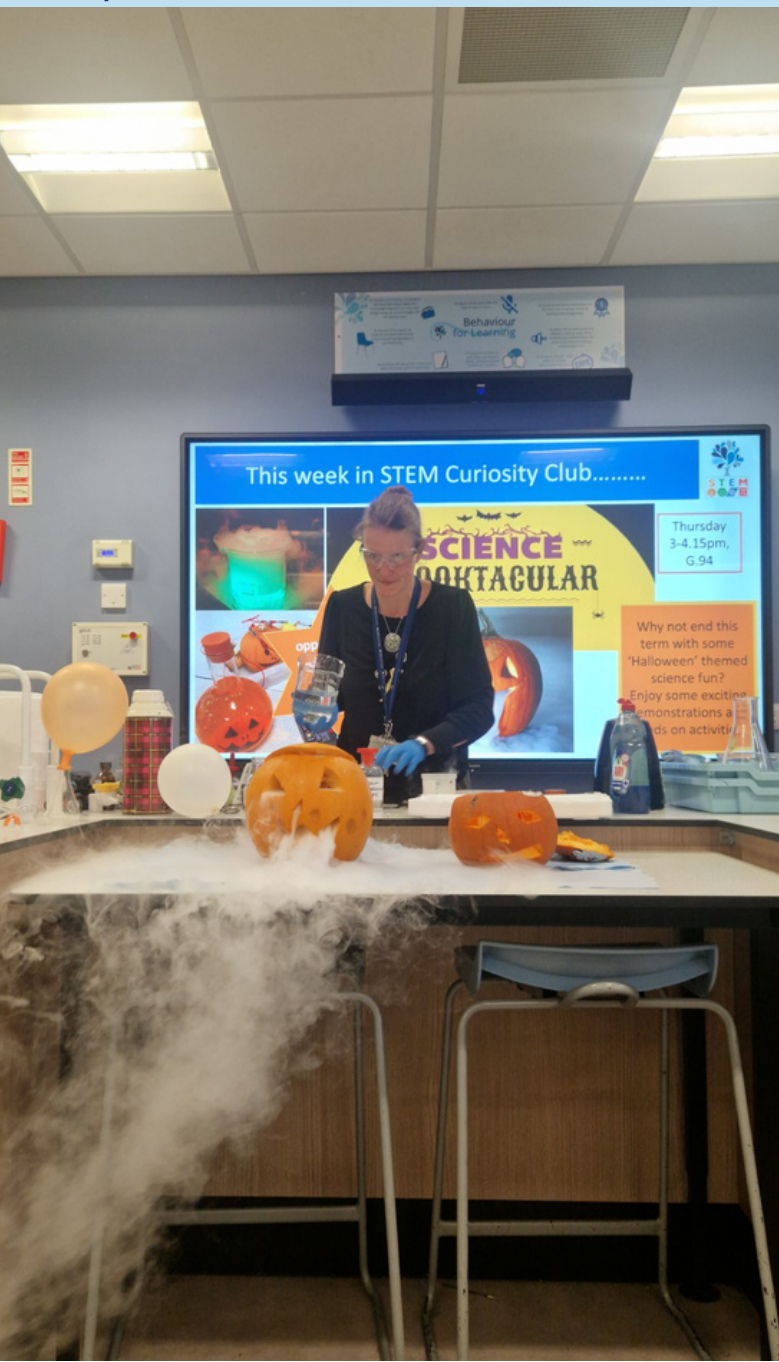

# STEM NEWS

On Monday, Mrs Collins delivered a STEM Outreach workshop to year 6 students at Leadgate Primary school, to enhance their learning associated with the rocks and fossils topic. Students learned about different types of rocks and fossils and how they are formed, as well as how our everchanging landscapes are a consequence of weathering and erosion. Students undertook a sugar cube shake experiment to simulate the effects of physical rock erosion and had the opportunity to mould and cast their own fossils.

Back at Consett Academy, in STEM club we had fun exploring dry ice (solid carbon dioxide) through interactive demonstrations and activities which included some eerie Halloween-like sounds, fog effects and colour changes.

Seven student Ambassadors are attending the public Celebrate Science event on Wednesday 1st November, in conjunction with Durham University, and some other schools. They will be delivering some fun, simple demonstrations and activities to engage young visitors in science. This is an open, free 3-day event for anybody to attend, so why not engage in some fascinating science activities this half term. More information can be found here <https://www.durham.ac.uk/celebrate-science/>

# SUBJECT SPOTLIGHT

## GEOGRAPHY DEPARTMENT

Here is the weekly newsletter for Geography- in this edition we will update you on all things Geographical and give you a glimpse into the world of Geography at Consett Academy.

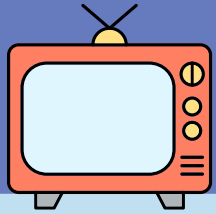

### IN THE NEWS

World leaders are set to discuss tackling climate change at a big UN summit in Dubai. It follows a year of extreme weather events in which many climate records have been broken.

### WHAT TO WATCH

Planet Earth III- BBC Sunday David Attenborough shares amazing stories of the wonders of the planet.

COMING SOON

We are launching Key Stage 3 Geographer competition after half term!

### WHAT ARE WE CURRENTLY LEARNING?

Year 7	Geomorphic Processes
Year 8	Tourism
Year 9	Haiti Earthquake
Year 10	UK Energy
Year 11	Climate Change
Year 12	Coastal Landscapes and Making Places
Year 13	Climate Change and Independent Investigation

### CAREER

Town planner. Town planners plan and design buildings, parks and roads to make places attractive and convenient for people to use. Chief planning officers, heads of departments and directors can earn salaries of more than £55,000. In some instances, they can reach up to £100,000. You can get into town planning with a degree in any subject but specific degrees in planning are available.

### A LEVEL PICK

GeogPod is the Geographical Association's podcast. Each episode, our host John Lyon will be chatting to a guest from within the geography community and discussing their work and areas of interest.

# Year Team News

## ClassCharts Champions!

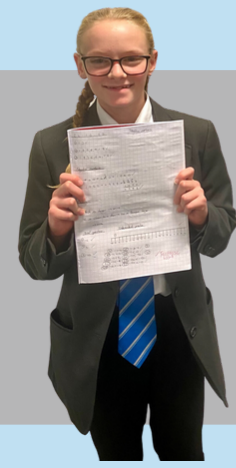

Well done to the following students for their amazing attitude towards their learning this week.

Year 7 Emily R 274      Ben W 251      James M 238  
Year 8 Lily M 261      James M 254      Leah H 246  
Year 9 Laura K 288      Peter H 272      Emily L 235  
Year 10 Jasmine H 301      Amy F 289      Emily T 278  
Year 11 Leah R 410      Lucy B 376      Jack O 344

Year	Tutor Group	Attendance
7	7.10	98.9%
8	8.1	95.8%
9	9.7	93.7%
10	10.4	93.7%
11	11.9	99.5%

# Year 7

Ellie has shown fantastic determination in maths this half term. Due to her hard work and commitment, her confidence has grown massively. Ellie is keen to answer in class, is not afraid to ask for help and she does her best in every lesson. We are so proud of you, Ellie!

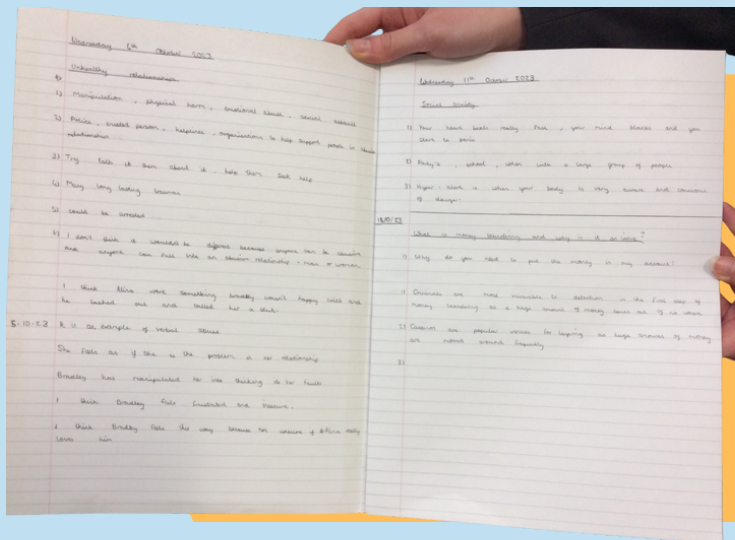

# Year 8

Alfie A, Harry D, Robert L jamming together in music to create some much loved 90's Brit pop 'Wonderwall - this was a pleasure to hear!

# Year 9

Keira W has been our stand out student this week with 100% attendance, she is always in the top 20 pupils for positives and is a polite and hardworking student- well done!

# Year 10

In tutor time the following students have produced some amazing work-Amy F, Jasmine H, Imogen M, Lois M. It's a really good start to their day.

# Year 11

Constance F has been brilliant this term. She works hard, turns up to GER during lunch and after school and is an example to the rest of the year group. Well done, Conny

CONSETT  
ACADEMY

# YEAR 11 MOCK EXAMS

Monday 6th Nov  
9am - English Literature

1pm -

- Health and Social Care

Tuesday 7th Nov

9am - Maths - Non  
Calculator

1pm - Philosophy 1

Wednesday 8th Nov

9am - Chemistry

1pm - History  
Medicine

Thursday 9th Nov
