

WINTER SHOWCASE

We'd like to say a HUGE 'Thank You!' to the wonderful audience who supported our Performing Arts students at the Winter Showcase this week (especially with the weather!). We sang and danced our way through the last 100 years of musical theatre, with musical previews from Cole Porter's 'Anything Goes', Disney's 'The Lion King' and 'Heart of Stone' from SIX. We have travelled through time, distance and space to reach our finale and we couldn't be prouder of our students! They dug deep, persevered, refined and just kept giving more.

See us at our next performance of 'Return to the Forbidden Planet' in Spring 2024.

100% Club Winner

Congratulations to Robbie K (7S2) who was the winner of Miss Horth's 100% Club prize draw which ran from 6th - 24th November. Robbie was randomly selected from over sixty students who were entered into the draw after achieving 100% in an Accelerated Reader quiz (on a book within their reading range) between those days! There is still a chance for Year 7 students to win...all students who have achieved 100% between September and the end of term in December will be entered in a Christmas raffle!

Chess Tournament

This week saw the start of the library's chess tournament for students who are on second lunch. Sixteen students will be battling it out for chess supremacy over the coming weeks. We're looking forward to seeing who will be crowned champion!

Brilliant Club

We are delighted to be working with an organisation called 'The Brilliant Club' for the next five weeks. Fourteen students from each of Year 8, 9 and 10 have been selected to work with a PhD student to learn about the work of an academic and what university study - and life - is like. The aim of this project is to challenge some of our brightest students and make them aware of the opportunities that higher education can offer. The feedback from all of the students has been excellent so far, and they are all enjoying tackling some very difficult academic work. They will finish the project by producing an extended essay which will allow them to graduate from the Brilliant Club at a ceremony at one of the local universities.
