

MULTIFAITH & WELLBEING

To celebrate the Christian festival of Easter, three students in each tutor group in the Academy were selected to receive a chocolate bunny for displaying one of the Easter virtues of Joy, Peace or Hope.

Mr Urwin also awarded three students in each year group who epitomise these virtues. Well done everyone!

We wish a very happy Easter to students, staff and community who celebrate, and a relaxing Spring break to all.

UNIFORM

We would like to thank all our students who arrived at the Academy every day this term with the correct uniform- you are all looking very smart and clearly ready to learn. We also would like to thank all our parents and carers who support us in ensuring students are appropriately dressed and equipped.

Please can we remind you that piercings, acrylic nails and false eyelashes are not to be worn in the Academy when students return after the holidays.

Students also need to make sure that they have the correct equipment and a bag. Please contact Year Managers if any support is needed with this.

ACADEMY

Uniform expectations

Students each day should be in full school uniform

- White Shirt
- Blazer
- Black loose fitting trousers or Academy skirt (knee length or below)
- Black shoes (polishable)
- Black socks (above ankle)
- School tie
- School bag (big enough to fit A4 workbook inside)

The only jewellery allowed is a wristwatch. Piercings, facial or bodily, are not allowed due to Health and Safety considerations. Students who come into the Academy wearing any jewellery will be asked to remove it and it will be kept and returned to them at the end of the day.

Make-up - Make-up, if worn at all, should be discreetly used and not be excessive. Nail varnish, nail extensions including false/gel/acrylic etc and nail decoration are not allowed.

Vision: Students First

BRIGHT SPARKS MATHS TRIP

2+2=1! On Friday 22nd March five year 9 students took part in a Bright Sparks math session at The Common Room in Newcastle. Students were pushed out of their comfort zone learning modular maths; $2+2=1$ was not a typo, this is true in mod3 as our students learnt. Very well done to Ava, Terence, Joseph, Toby and Fraser for doing so well in this session!

STUDENT FUNDRAISING

On Sunday, two of our students, Flynn and Gillian C, completed a sponsored walk to raise funds for The Great North Hospital Children's in support of their friend. We are very proud of the effort that these students put in- they have really shown what compassionate people they are.

STEM NEWS

This week in STEM science club we looked at different bacteria cultures that have been grown in petri dishes. We were able to observe and identify different bacteria species such as staphylococcus and bacillus.

We also got a chance to explore the academy greenhouses to water the plants and do some plant identification. There will be more botany-type activities in the spring and summer sessions!

NCDAT TABLE TENNIS TOURNAMENT

Consett Academy fielded a strong squad of 16 table tennis players, competing at the annual Table Tennis Tournament at NDA on Monday 25th March. The teams representing years 7 to 10 competed against Wellfield and NDA in both girls and boys events and came home victorious in every category.

Not only did they perform exceptionally well, they represented the academy with pride and dignity, displaying lovely manners throughout. They were a real credit to the academy. A big thank you to Mr Leighton as Team Manager
