

SCHOOL SHOW

We've finally come back down to earth after last week's Centre Stage production of Bob Carlton's 'Return to the Forbidden Planet'. The story itself is an adaptation of Shakespeare's 'The Tempest' but with the added twist of being set in space! To add to the quirky plot, the cast were accompanied by a live band made up of students and staff, who played the score which included songs by The Surfaris, The Beach Boys, Jerry Lee Lewis, The Animals, Them and Elvis Presley (to name a few!).

Students from Years 7 to 13 have worked since January this year attending 2 rehearsals a week as well as practicing their scripts, songs and choreography at home - some have even attended our 'Props Club' to help make the wonderful set too. The backstage and tech crew were on hand to make the production run smoothly and worked independently to put on a slick performance. We can't praise the students enough for their dedication, enthusiasm and resilience.

...And of course, they're already planning the next show as we speak!

TIME TO CELEBRATE

Hollie W (Y7) has been in the football County Cup this weekend and her team won. They're the first Beamish team to ever made it to the final let alone to win it. Beamish have been running as a club for 22 years.

SUBJECT SPOTLIGHT

SCIENCE DEPARTMENT

This week in Science, some classes got hands-on with an eye dissection to uncover the complex, yet interesting, function of the eye. This sample was taken from a lamb, however the structure is very similar to the human eye which made it the perfect sample to dissect!
